Hi everyone,
The Junior class is busy exploring seeds in our science unit. Our bean seed germination is well underway with students monitoring and recording daily growth. In maths we are looking at time, o’clock, half past, quarter past and quarter to. Today we are learning about fact families. Preps have been busy learning about 3D shapes. We welcome back Malcolm today, he has been missed by us all.

Mrs Pascoe and Mrs Dodson.

Senior Stories

Hello all!
Term is certainly speeding by now! The Senior class is in full assessment mode this week. Report Cards will be handed out at Parent Teacher interviews in Week 10. I sent home the timetable last week, if you have not received yours please contact me ASAP so I can get you one. I believe parent teacher interviews are a vital communication opportunity to discuss things that are not put into report cards so I hope to see you all here.

Students performed extremely well at Sports Day and Young Performers on the 26-27th of May. Congratulations to Marshall, Rhiannon, TeAriki, Monique and Kai for achieving Age Champions. At Young Performers the Senior class performed amazingly well with a 2nd place in their choric speaking, 1st place for singing “The Last Anzac”. 2nd place for “Care for Kids” and another 1st for “Footloose”! The senior choir also came home with the Aggregate for overall top point scorer again this year! Well done guys!

I have ordered the second round of chocolates for those students interested in another box (and with parent permission!) so they should be here sometime this week. Saturday’s BBQ at Harvey Norman helped raise $345 towards camp. Let’s keep on fundraising and have fun doing it!

Our Japanese teacher Sensei Miki came to visit yesterday, the students enjoyed tasting noodles and making onigiri as well as trying on some traditional Japanese clothing items.

Till next time!
Mrs Bracey and Ms Thompson (soon to be Mrs Saro!)

It was a great day full of outstanding behaviour and achievements from all students as well as 5 age champions. Congratulations everyone. SMCSA Sports Day will be held at the beginning of next term.

LOTE

Some kind words from Miki Saiki Greene....

Hi Nina,

I am writing to say ‘Thank you’ for the wonderful time with your students yesterday.

I wasn’t sure whether they would have liked “soumen” (noodle) but it was great to see them enjoying the taste as well as use of chopsticks.

I could cook more noodle and rice next time. They loved the food!!

Delightful students they are!! I would love to visit you again in next Semester.

Please also send my big “thanks” to your teacher aid who was in the room. I am sorry I didn’t get her name!!

Thanks again.
